PROFILE

I am a 2nd-year B.Tech Information Technology student at K. Ramakrishnan College of Technology with consistent academic performance (71.1% in 12th standard and CGPA 7 in 1st year). I have developed a foundational understanding of programming, web development, and MS Office tools, along with effective communication and teamwork skills. I have participated in technical symposiums and hackathon events, gaining practical exposure to problem-solving and coding activities.I aim to continuously enhance my technical and interpersonal skills to achieve excellence in a professional environment.

WORK EXPERIENCE

Technical Presentations & Symposiums

Participated in symposiums and technical events across institutions, creating and delivering technical presentations on IT topics.

MS Office & Self-Learning

Completed self-learning and training in MS Office tools such as Word, Excel, and PowerPoint for documentation and presentation purposes.

Hackathons & Coding Events

Engaged in coding competitions and hackathons, solving basic programming and logical problem statements using Python and C.

Certification

Ms-office

Language

Tamil and English
